Fire Safety & Utility's

CURRICULUM-VITAE

Company Overview

Driven and detail-oriented professional seeking a position in a dynamic organization that values continuous improvement and innovation. Eager to apply over 25 years of hands-on experience in:

- Fire hydrant and sprinkler systems, along with a fire alarm system.
- Fabrication, erection, and installation, hot-water and gas pipelines
- HVAC Cooling Plant System & Indoor & Outdoor AC.
- Insulation Covering Work of Steam, Hot & Cool Line.
- Heavy Structural Work.
- Diesel Generators' exhaust line, Stack Work & Electrical Work with RECD System.

Committed to delivering high-quality, safety-compliant solutions while growing both personally and professionally alongside the company's success.

Mission

To deliver robust and safe mechanical installations through precise engineering, skilled labor, and adherence to regulatory standards.

Vision

To be India's most trusted partner in fire safety, utility piping, and structural engineering services.

Core Services

- **Fire Fighting Systems** – Hydrant networks, sprinkler systems, and diesel storage.
- **HVAC & AC Works** – Chiller platforms, condenser/chilled water lines, ducting.
- **DG Exhaust Systems** – Design, fabrication, and stack installation up to 60m height.
- **Utility Piping** – Compressed air, water, LPG, and process lines.
- **Structural Fabrication** – MS supports, platforms, tanks, and high-rise stacks.
- **Thermal Insulation** – Thermal Insulation Covering for Hot & Cool Line.
- **Ducting** – Ducting Work for Cool & Hot Air.
- **HT & LT Electrical** – Cable laying & Termination As per Dwg in panel.
- **Turnkey Installation Projects** – From design to commissioning.

Technical Expertise

- Mild Steel (MS) fabrication and pipe support structures
- Fire Hydrant / Sprinkler & Alarm
- High-rise DG stack and exhaust systems (up to 60m)
- GI and CS piping for fire & utility lines
- HVAC ducting and chilled water pipelines
- Solar framing and industrial fan systems

Tools & Technology Stack

- ARC & MIG/TIG Welding Equipment
- Pipe Bending & Grooving Machines
- Scaffolding & Safety Systems
- DG Stack Design as per IS Standards
- Skilled manpower certified for height work & rigging

Key Clients & Projects (Sample Highlights from 2000–2025)

- **Persistent Systems, Pune** – Centralized AC installations.
- **Embassy India IT Park, Hinjewadi Pune** – Diesel 1Lakh Liter Tank & Pump System Work.
- **NTT Data Centre, Mahape Mumbai** – Diesel 1Lakh Liter Tank & Pump System Work.
- **PMC Bhawan Main Building, Pune** – Fire Protection & Alarm System.
- **Pune University, Pune** – Fire Protection & Alarm System.
- **NSE Office GIFT City, Gandhi Nagar (Gujarat)** – Cooling tower & Indoor Unit Work.
- **Jai Dev Hospital, Gulbarga (Karnataka)** – Centralized AC installations.
- **Capacite, Bhagwati Hospital (Mumbai)** – Power Generators Stack Work.
- **Kirloskar Plant, Sangli** – Power Generators Stack Work.
- **JP MORGAN, Mumbai** – Power Generators Silencer & Canopy Work.
- **BELDEN India, Chakan** – Cooling tower & Indoor Unit Work.
- **Chitale Dairy, Kolhapur** – Boiler chimney & steam pipeline
- **Mercedes-Benz, Chakan** – Full utility piping and fire systems
- **Sterling & Wilson Powergen** – DG work across 100+ locations
- **Alstom India (Mumbai Metro)** – Monopole erection across 50+ locations in Mumbai & Pune.
- **International Airport (Goa)** – Fire Fighting & Utility Installation
- **HDFC Data Centre, Pune** – 30m DG exhaust stack & piping
- **Zensar IT Park, Pune** – DG stack, HVAC, and fire safety
- **JCB India, Talegaon** – Centralized AC installations.
- **Teva Pharma, Goa** – Power Generators Stack Work
- **Schneider Electric, Ahilya Nagar** – Fire Protection & Alarm System.
- **Serum Institute, Pune** – Power Generators Stack Work
- **Khandeshi Cancer Research Center, Dhule Nasik** – Fire Protection & Alarm System.
- **Vedanta Bhakta Niwas, Phandarpur** – Fire Protection & Alarm System.
- **FEV India, Talegaon** – Hydrant systems & airline installations

(Full project list available on request or via website)

Leadership

Mr. VK Singh, Director

- Over 30 years of field experience
- Deep knowledge of on-site execution and quality control
- Known for timely project delivery and technical problem-solving

Certifications & Registrations

- GST Registered (**27DJCPS1324F1ZE**)
- ESIC Registered (**33001089610000999**)
- MSME Compliant(**UDYAM-MH-26-0139050**)
- All staff trained in PPE and workplace safety protocols
- Compliant with Indian Fire Safety Norms and IS standards
